Doing Business in India

The India Briefing Business Guide to Doing Business in India is the definitive guide to one of the fastest growing economies in the world, providing a thorough and in-depth analysis of India, its history, key demographics and overviews of the states and union territories highlighting business opportunities and infrastructure in place in each region. Also included is information on FDI trends, business establishment procedures, economic zone information and labor and tax considerations, analysis of Indian business etiquette and culture, and details of procedural, operational and tax differences between India and its economic and geographical neighbor, China.

India Briefing's guides are leaders in their field, providing practical and pragmatic legal and tax information to foreign investors in India.
